**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential customer who supports broadband competition.

Having had bad experiences with both AT&T and Comcast (The two major providers in my area) I switched to Sonic and have had a remarkably positive customer experience.

In my opinion the FCC should be promoting competition in the broadband market and encouraging the type of innovation that Sonic is driving.

Do not cave to pressure from the major carriers to reduce the opportunities for other carriers to help move Americas broadband infrastructure into the future at a much faster rate then AT&T or companies like Comcast seem willing to do.
